INFORMATION TECHNOLOGY SOLUTIONS THAT WORK FOR YOU

NASE IT Help Desk
(Powered by World Technology Corporation)

Dell, Lenovo, HP & Apple are committed to helping NASE members achieve maximum performance from your PC, Laptop and Mac systems. WTC wants to help lower operating costs, thereby enabling NASE Members to focus on the task at hand.

CERTIFIED TO BE BUSINESS-READY

Our partnership with Dell, Lenovo and Apple brings business-ready solutions to business customers, helping to reduce complexity and risk as well as lower operational costs.

ENABLE CUSTOMER CHOICE.

As a technology provider, it's critical that your products are always up and running. Our maintenance and support services can help guarantee your system experience to be a satisfying return on your technology investment.
