Understanding Your Dental Plan

MetLife helps you get the dental coverage you and your family need. And with these valuable features, your dental benefits are sure to keep you smiling:

- Lower costs.
- Freedom of choice.
- Commitment to your oral health.
- Less paperwork. Less worries. More service.

Lower costs for covered and non-covered services.

The MetLife Preferred Dentist Program (PDP) offers you plan benefits based on negotiated fees that typically range from 15% to 45% less than the average fees for the same or similar services charged by dentists in your area. All PDP dentists have agreed to MetLife negotiated fees for in-network services – and these fees may even apply to services not covered by your plan or those provided after you've exceeded your annual benefits maximum.¹

Freedom of choice.

With MetLife, you can go to the dentist you're most comfortable with, even if he or she isn't in our network. But with over 135,000 in-network dentist locations, there's a good chance your dentist is part of the MetLife PDP. And if you need to find a dentist, you can easily find one in our national network. Plus, you'll be assured they've passed a rigorous selection process. In fact, 98% of patients who visited an in-network dentist were satisfied with the quality of care they received.²

Commitment to your oral health.

The right dental care is an essential part of good overall health. That's why we developed MetLife's Quality Initiative Program to promote good dental health. By providing dentists with access to materials relevant to the latest dental research and trends in patient care, they can stay abreast of the latest developments and technologies in oral health. Plus, it gives you tools to make better choices about your dental benefits and health.

Today, the Academy of General Dentistry tells us that more than 90% of all diseases produce oral signs and symptoms. Dentists now play a key role in screening for conditions such as cancer, diabetes, leukemia, heart disease, and kidney diseases.³

Understanding Your Dental Plan (continued)

Less paperwork. Less worries. More service.

With MetLife, there's no paperwork if your dentist submits your claims for you. We can even give you pre-treatment estimates while you're at the dentist.

Plus, anytime you want to check coverage, claim status or history, or get an estimate, you or your dentist can get a quick answer by phone, fax or online, so you can get the information you want, when you want it.

PDP Savings* Example

This hypothetical example** shows how receiving services from a PDP (in-network) dentist can save you money.

Your Dentist says you need a Crown, a Type C service —

- PDP Fee: \$375.00
- R&C Fee: \$500.00
- Dentist's Usual Fee: \$600.00

IN-NETWORK When you receive care from a participating PDP dentist:		OUT-OF-NETWORK When you receive care from a non-participating dentist:	
Dentist's Usual Fee is:	\$600.00	Dentist's Usual Fee is:	\$600.00
The PDP Fee is/Schedule Pays:	\$375.00	R&C Fee is:	\$500.00
Your Plan Pays:		Your Plan Pays:	
50% X \$375 PDP Fee	- \$187.50	50% X \$500 R&C or PDP Fee	- \$250.00
Your Out-of-Pocket Cost:	\$187.50	Your Out-of-Pocket Cost:	\$350.00

In this example, you save \$162.50 (\$350.00 minus \$187.50)...
by using a participating PDP dentist.

*Savings from enrolling in the MetLife PDP Program will depend on various factors, including how often participants visit the dentist and the cost for services rendered.

Common Questions... Important Answers

Who is a participating Preferred Dentist Program (PDP) dentist? A participating dentist is a general dentist or specialist who has agreed to accept MetLife's negotiated fees as payment in-full for services provided to plan participants. PDP fees typically range from 15-45%* below the average fees charged in a dentist's community for the same or substantially similar services.

*Based on internal analysis by MetLife.

How do I find a participating PDP dentist? There are more than 135,000 participating PDP dentist locations nationwide, including over 33,000 specialist locations. You can receive a list of these participating PDP dentists online at www.metlife.com/mybenefits or call 1-800-942-0854 to have a list faxed or mailed to you.

What services are covered by my plan? All services defined under your group dental benefits plan are covered. Please review the enclosed plan benefits to learn more.

Does the Preferred Dentist Program (PDP) offer any discounts on non-covered services? MetLife's negotiated fees with PDP (in-network) dentists may extend to services not covered under your plan and services received after your plan maximum has been met, where permitted by applicable state law. If you receive services from a PDP dentist that are not covered under your plan or where the maximum has been met, in those states where permitted by law, you may only be responsible for the PDP (in-network) fee.

May I choose a non-participating dentist? Yes. You are always free to select the dentist of your choice. However, if you choose a dentist who does not participate in the MetLife PDP, your out-of-pocket expenses may be more, since you will be responsible to pay for any difference between the dentist's fee and your plan's payment for the approved service. If you receive services from a participating PDP dentist, you are only responsible for the difference between the PDP in-network fee for the service provided and your plan's payment for the approved service. Please note: any plan deductibles must be met before benefits are paid.

Can my dentist apply for PDP participation? Yes. If your current dentist does not participate in the PDP and you'd like to encourage him or her to apply, tell your dentist to visit www.metdental.com, or call 1-877-MET-DDS9 for an application. The website and phone number are designed for use by dental professionals only.

How are claims processed? Dentists may submit your claims for you which means you have little or no paperwork. You can track your claims online and even receive e-mail alerts when a claim has been processed. If you need a claim form, visit www.metlife.com/mybenefits or request one by calling 1-800-942-0854.

Can I find out what my out-of-pocket expenses will be before receiving a service? Yes. MetLife recommends that you request a pre-treatment estimate for services in excess of \$300. Simply have your dentist submit a request online at www.metdental.com or call 1-877-MET-DDS9. You and your dentist will receive a benefit estimate for most procedures while you're still in the office. Actual payments may vary depending upon plan maximums, deductibles, frequency limits and other conditions at time of payment.

How can I learn about what dentists in my area charge for different procedures? If you have MyBenefits you can access the Dental Procedure Fee Tool provided by go2dental.com where you can learn more about approximate fees for services such as exams, cleanings, fillings, crowns and more. Simply visit www.metlife.com/mybenefits and use the Dental Procedure Fee Tool to help you estimate the in-network (PDP fees) and out-of-network fees* for dental services in your area.

* Out-of-network fee information is provided by go2dental.com, Inc., an industry source independent of MetLife. This site does not provide the benefit payment information used by MetLife when processing your claims. Prior to receiving services, we recommend that you obtain pre-treatment estimates through your dentist.

Can MetLife help me find a dentist outside of the U.S. if I am traveling? Yes. Through international dental travel assistance services you can obtain a referral to a local dentist by calling +1-312-356-5970 (collect) when outside the U.S. to receive immediate care until you can see your dentist. Coverage will be considered under your out-of-network benefits.** Please remember to hold on to all receipts to submit a dental claim.

*International Dental Travel Assistance services are administered by AXA Assistance USA, Inc. AXA Assistance is not affiliated with MetLife, and the services they provide are separate and apart from the benefits provided by MetLife.

** Refer to your dental benefits plan summary for your out-of-network dental coverage.

How does MetLife coordinate benefits with other insurance plans? Coordination of benefits provision in dental benefits plans are a set of rules that are followed when a patient is covered by more than one dental benefits plan. These rules determine the order in which the plans will pay benefits. If the MetLife dental benefit plan is primary, MetLife will pay the full amount of benefits that would normally be available under the plan. If the MetLife dental benefit plan is secondary, most coordination of benefits provisions require MetLife to determine benefits after benefits have been determined under the primary plan. The amount of benefits payable by MetLife may be reduced due to the benefits paid under the primary plan.

Alternate Benefits: Your dental plan provides that where two or more professionally acceptable dental treatments for a dental condition exist, your plan bases reimbursement, and the associated procedure charge, on the least costly treatment alternative. If you and your dentist have agreed on a treatment which is more costly than the treatment upon which the plan benefit is based, your actual out-of-pocket expense will be: the procedure charge for the treatment upon which the plan benefit is based, plus the full difference in cost between the scheduled PDP fee or, if non PDP, the actual charge, for the service actually rendered and the scheduled PDP fee or R&C fee (if non PDP) for the service upon which the plan benefit is based. To avoid any misunderstandings, we suggest you discuss treatment options with your dentist before services are rendered, and obtain a pre-treatment estimate of benefits prior to receiving certain high cost services such as crowns, bridges or dentures. You and your dentist will each receive an Explanation of Benefits (EOB) outlining the services provided, your plan's reimbursement for those services, and your out-of-pocket expense. Procedure charge schedules are subject to change each plan year. You can obtain an updated procedure charge schedule for your area via fax by calling 1-800-942-0854 and using the MetLife Dental Automated Information Service.

Cancellation/Termination of Benefits: Coverage is provided under a group insurance policy (Policy form GPNP99 / G.2130-S) issued by MetLife. Coverage terminates when your membership ceases, when your dental contributions cease or upon termination of the group policy by the Policyholder or MetLife. The group policy terminates for non-payment of premium and may terminate if participation requirements are not met or if the Policyholder fails to perform any obligations under the policy. The following services that are in progress while coverage is in effect will be paid after the coverage ends, if the applicable installment or the treatment is finished within 31 days after individual termination of coverage: Completion of a prosthetic device, crown or root canal therapy.

Like most group benefit programs, benefit programs offered by MetLife and its affiliates contain certain exclusions, exceptions, reductions, limitations, waiting periods and terms for keeping them in force. Please contact MetLife or your plan administrator for costs and complete details.

Focus on Oral Health: Why Having the Right Dental Coverage is Good for Your Health.

Maybe you have good oral health, but have you considered how unexpected dental problems can affect you or your family members? Or, maybe you have some type of dental coverage now, but the question is – is it enough?

Although much emphasis has been put on healthy living these days, you may not have thought to include your mouth as part of your health regimen. The fact is, more and more studies are finding links between your oral health and your overall health. According to the U.S. Dept. of Health and Human Services, research has revealed an association between dental disease and a person's increased risk for systemic conditions.¹

When you consider how dental problems can affect people of all ages — and how costly they can be to treat — you may want to carefully consider whether you have adequate dental coverage. With MetLife, you have access to dental benefit plans with easy-to-understand coverage and savings that may extend to non-covered services.²

Did You Know?

According to the National Institute of Health, tooth decay is one of the most common health problems among Americans, second only to the common cold.³

Studies suggest that periodontal (gum) disease during pregnancy may be a factor in premature births.⁴

There are over 400 medications (prescription and over-the-counter) that can cause "dry mouth" (xerostomia) which can lead to plaque build-up, tooth decay and gum disease.⁵

Want to know if you or your family is at risk for dental disease?

Visit the dental education website at www.metlife.com/mybenefits for important tools and resources to help you become more informed about dental care. The site contains Risk Assessments and information on many oral health topics.

Quick Tips for Easy Dental Claim Filing

With MetLife, there's no paperwork if your dentist submits your claims for you. Whether it's you or your dentist, filing a dental claim with MetLife is a simple process. And, by keeping the following tips in mind, you can help make it even easier:

- Bring a claim form with you to your appointment.
- You can obtain additional claim forms three easy ways:
 1. Download them from the MetLife website at www.metlife.com/mybenefits. Simply click on "Download Claim Forms" from the homepage.
 2. Call 1-800-942-0854 to have a form sent to you. You don't have to speak with a live representative to order a claim form — you can call 24 hours, 7 days a week, to utilize MetLife's automated voice response system.
 3. Contact your Human Resources Representative, who should have forms on hand.
- Speak with your dentist about reimbursement arrangements *before* your appointment. Although most dentists will accept the claim reimbursement directly from MetLife, some may prefer to receive payment in-full before you leave your appointment. Since each dentist sets his or her own policy, you should discuss these arrangements before you receive any services.

* Out-of-network fee information is provided by go2dental.com, Inc., an industry source independent of MetLife. This site does not provide the benefit payment information used by MetLife when processing your claims. Prior to receiving services, pre-treatment estimates through your dentist will provide the most accurate fee and payment information.

Our Privacy Notice

We know that you buy our products and services because you trust us. This notice explains how we protect your privacy and treat your personal information. It applies to current and former customers. "Personal information" as used here means anything we know about you personally.

Plan Sponsors and Group Insurance Contract Holders

This privacy notice is for individuals who apply for or obtain our products and services under an employee benefit plan, or group insurance or annuity contract. In this notice, "you" refers to these individuals.

Protecting Your Information

We take important steps to protect your personal information. We treat it as confidential. We tell our employees to take care in handling it. We limit access to those who need it to perform their jobs. Our outside service providers must also protect it, and use it only to meet our business needs. We also take steps to protect our systems from unauthorized access. We comply with all laws that apply to us.

Collecting Your Information

We typically collect your name, address, age, and other relevant information. We may also collect information about any business you have with us, our affiliates, or other companies. Our affiliates include life, car, and home insurers. They also include a bank, a legal plans company, and securities broker-dealers. In the future, we may also have affiliates in other businesses.

How We Get Your Information

We get your personal information mostly from you. We may also use outside sources to help ensure our records are correct and complete. These sources may include consumer reporting agencies, employers, other financial institutions, adult relatives, and others. These sources may give us reports or share what they know with others. We don't control the accuracy of information outside sources give us. If you want to make any changes to information we receive from others about you, you must contact those sources.

Using Your Information

We collect your personal information to help us decide if you're eligible for our products or services. We may also need it to verify identities to help deter fraud, money laundering, or other crimes. How we use this information depends on what products and services you have or want from us. It also depends on what laws apply to those products and services. For example, we may also use your information to:

- administer your products and services
- process claims and other transactions
- perform business research
- confirm or correct your information
- market new products to you
- help us run our business
- comply with applicable laws

Sharing Your Information With Others

We may share your personal information with others with your consent, by agreement, or as permitted or required by law. For example, we may share your information with businesses hired to carry out services for us. We may also share it with our affiliated or unaffiliated business partners through joint marketing agreements. In those situations, we share your information to jointly offer you products and services or have others offer you products and services we endorse or sponsor. Before sharing your information with any affiliate or joint marketing partner for their own marketing purposes, however, we will first notify you and give you an opportunity to opt out.

Other reasons we may share your information include:

- doing what a court, law enforcement, or government agency requires us to do (for example, complying with search warrants or subpoenas)
- telling another company what we know about you if we are selling or merging any part of our business
- giving information to a governmental agency so it can decide if you are eligible for public benefits

- giving your information to someone with a legal interest in your assets (for example, a creditor with a lien on your account)
- giving your information to your health care provider
- having a peer review organization evaluate your information, if you have health coverage with us
- those listed in our “Using Your Information” section above

HIPAA

We will not share your health information with any other company – even one of our affiliates – for their own marketing purposes. If you have dental, long-term care, or medical insurance from us, the Health Insurance Portability and Accountability Act (“HIPAA”) may further limit how we may use and share your information.

Accessing and Correcting Your Information

You may ask us for a copy of the personal information we have about you. Generally, we will provide it as long as it is reasonably retrievable and within our control. You must make your request in writing listing the account or policy numbers with the information you want to access. For legal reasons, we may not show you anything we learned as part of a claim or lawsuit, unless required by law.

If you tell us that what we know about you is incorrect, we will review it. If we agree, we will update our records. Otherwise, you may dispute our findings in writing, and we will include your statement whenever we give your disputed information to anyone outside MetLife.
