## WHITE HOUSE BRIEFING: SMALL BUSINESS WEEK 2012

Join us and a representative from the White House as to kick off National Small Business Week! We will hear an update on what the Administration has planned around this week as we celebrate small business across America.

Our guests will take questions at the end of the call. Feel free to share this invitation with others! Upon registration, you will receive the call-in information.

**Resources:** The White House has a “Resources for Small Business” page on wh.gov that could be useful: <http://www.whitehouse.gov/economy/business/resources>

**Please note:** This call is off the record and not for press purposes.
